Learning outcomes	<p>This course is designed for managers in a hurry - you will undertake a complete PMP Exam Prep course in 5 days! Courses start on Monday and finish on Friday. There are 7 contact hours scheduled for each day (plus lunch and refreshment breaks) and additional reading is required each evening. You will be working hard, but if you can stand the pace all of the information needed to pass the PMP examination will be yours within a week.</p> <p>Each day includes a test exam, several modules of training plus some group and individual exercises to help break up the intensity of the sessions.</p> <p>As part of your course, you are provided with a comprehensive manual including a complete index system plus a copy of the <i>PMBOK® Guide</i>. The manual is essential for revision and for future reference.</p> <p>After the course, there is a 100 question trial examination followed by a 30 day licence to use Mosaic's on-line exam simulator.</p> <p>We recommend taking your PMP exam within a couple of weeks for the best chance of success. Allowing a few days for revision and practicing trial exams on the simulator beforehand will ensure you are ready and confident to apply all you have learnt. Our email support service will assist with any questions you may have during this period.</p>
Learning environment	<p>Face to face presentation with supporting exercises during the course.</p> <p>Additional study will be required by the students in their own time.</p> <p>Email contact available with instructor outside the course.</p>
Special requirements	<p>PMP Exam eligibility requirements:</p> <p>If you hold a Degree, the PMP applicant requires 4500 hours of directing and leading specified project tasks over the last 3 to 8 years. Without a Degree, 7500 hours over 5 to 8 years is required.</p> <p>Additionally, 35 hours of PM contact education must be documented – this course will provide the necessary 35 Hrs.</p> <p>Email pmpspreadsheet@mosaicprojects.com.au for an Excel spreadsheet designed to help assess your eligibility for the PMP exam.</p>
